Your Thermostat
Is Ready to Help
You Save

Enroll Now

With Energy Wise Rewards™, your smart thermostat can do even more, without major changes to your comfort or routine.*

It's easy to sign up and participate, and we'll give you **up to \$100** during your first year. Once you enroll, your thermostat will make small adjustments during peak energy times, so you'll save automatically.

It takes only a few minutes to **start saving**.

*Not all smart thermostats are eligible for the program, so be sure to confirm the model you choose is eligible for Energy Wise Rewards.

You must be an active residential Atlantic City Electric customer with a valid account number to participate. See [program website](#) for guidance on program-specific eligibility and participation requirements.

Your Comfort
Comes First

Get The Details

With Energy Wise Rewards™, small adjustments help reduce your energy use during peak times. You probably won't even notice a difference. You'll get advance notice before events, and you can adjust your thermostat or opt out at any time.

It's an easy way to earn bill credits while **saving energy** automatically.
