SCRIPT

VOICE OVER

AI: Describe your dream home.

MAN: I’m looking for a place in Fort Lauderdale.

Somewhere the design doesn’t scream, but you still feel it —
clean lines, calm materials, spaces that don’t overwhelm.

Make sure it gets great natural light. (Mental note: golden hour.
Don’t forget it. Golden hour decides everything.)

A place with a real view— the kind that makes my wife say wow.

Design you feel, not flaunt.

Oh, and btw— make sure Max shows up in my room. He gets the
final vote.

AI: The Terraces... the smartest move of pure Natural Intelligence.

TECHNICAL SCRIPT

Scene 1

- Type: Medium shot
- Image: Man sitting at a table typing on a laptop
- Camera: Static
- Audio / VO: keyboard typing
- Graphics: On-screen AI interface design with narration text

Scene 2

- Type: Detail shot
- Image: Human eye reflects the words on the laptop in the pupil; the eye opens and closes as the ambient lighting changes.
- Camera: Static
- Audio / VO: Describe your dream home.
- Graphics: On-screen AI interface design with narration text
